

## Virginia Forest Resources Political Action Committee (VAForestPAC)

Influencing public policy is a tough assignment, especially when it comes to our forests. The **Virginia Forest Resources PAC** provides a means to help educate our policy makers on the importance of forestry to Virginia and gives financial assistance to candidates who recognize and support forestry interests. The **Virginia Forest Resources PAC** is a non-partisan state PAC that can accept contributions from any US individual, corporation, union, association, or partnership. Since its inception in 2013, the **Virginia Forest Resources PAC** has contributed to the campaigns of nearly 100 Virginia General Assembly candidates, helping with the process of informing state legislators regarding major forestry issues. Please give serious consideration to supporting our PAC.
